

## Mobile Command Trailer

The trailer was built with an all aluminum frame, aluminum walls and ceiling. And it was furnished with many light weight aluminum components. The aluminum design offers a light weight, durable, non-rust, mobile trailer ready to be dispatched to the next EPA/Hazmat cleanup site.

The accommodations include a full functioning command/office area, kitchenette, dinette, rest area, bathroom with shower, heating, cooling, power generation with a storage/workshop garage.

Mobile Command/Office Trailers can be used in a variety of applications and we stand ready to build the trailer ready to use for your specific needs: Here's few examples of similar trailers:

Mobile Command Trailers for EPA, Hazmat, Disaster, Flood, Fire, Accident, Crowd control.

Mobile booking/processing trailers for police and government agencies.

Field offices for fairs, concerts, conventions, major events or construction sites

Other uses have been for Monitoring Nuclear or Environmental Facilities

What is your need for a mobile command or office trailer?
