

This custom built trailer was designed with the customer to serve the needs they had in transporting propane tanks.

We could also build trailers specific to your needs for transporting materials, water, supplies, equipment or tools. Often a trailer like this is part of a fleet that be sent to disaster relief areas. We also build mobile trailers for a variety of uses such as:

- Emergency Command trailers
- Mobile Power Trailers
- Communication trailers
- Hazmat clean-up trailers
- Mass casualty trailers
- Shoring supply trailers
- Mobile workshops
- Mobile concession trailers
